

WINTER FLORAL DISPLAYS IN USK FOR THE FIRST TIME!

This month, for the first time, our volunteers have planted all the containers in Usk to give an Autumn / Winter display ahead of the usual Daffodil show in Spring which will be augmented by red tulips in Twyn Square as we celebrate our 40th year / Summer in 2020.

Thank you once again to all our wonderful volunteers and to all those who have donated, raised extra funds - especially the Friends of Usk in Bloom - all of whom have enabled this extra work to take place.
