

Working Together in Usk

We are delighted that the Co-op have chosen Usk in Bloom as one of its Community Fund charities for 2021.

It means that when you shop at the Co-op, either in person or online, you can ensure that for every £1 you spend on Co-op branded products and services, the Co-op donates 1p to Usk in Bloom on your behalf.

With your help we can turn this into a significant amount of money for Usk in Bloom. Money which will help us to put on a really good display throughout the town during 2021 and which will enable us to create a spectacular spring daffodil display opposite Usk School in celebration of our 40th Anniversary.

In order to participate in this fund raising scheme you will need to be a Co-op member and you will also need to select Usk in Bloom as your chosen charity. To support Usk in Bloom in this way please click on the following link to register both as a Co-op member and as an Usk in Bloom Co-op supporter.
