

New date announced for Pendyrus Male Choir concert

As the timetable for the easing of the coronavirus lockdown restrictions in Wales emerges, it has become clear that Usk in Bloom can no longer go ahead with the Pendyrus Male Choir concert planned for Saturday 15th May this year.

The concert, which was originally planned for May 2020, will now take in St Mary's Priory Church, Usk at 7.00pm on Saturday 14th May 2022.

Usk in Bloom are delighted to have received the ongoing commitment from the Pendyrus Male Choir and we look forward to welcoming them to Usk in the Spring of 2022 for what should be a truly celebratory evening of song.

We realise however that this further postponement will come as a disappointment to those who bought tickets for the original event, planned for last year, and who have waited patiently for its rescheduling. If you are one of those people, you can either hold on to your tickets and use them at next year's concert or alternatively you can request a refund by contacting the Usk in Bloom Treasurer, David Jenkins, via email at treasurer@uskinbloom.org.uk or by phone on 07766338563.

For those without tickets, and who would like to join us at next year's concert, tickets, priced at £12 each, will be back on sale in the New Year.

Pendyrus Male Choir Concert

7.00pm Saturday 14th May 2022
